

In January
we build a snowman.

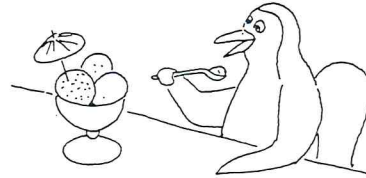

In July
we go swimming.

In February
we go sledging.

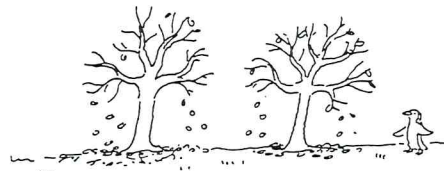

In August
we eat lots of ice cream.

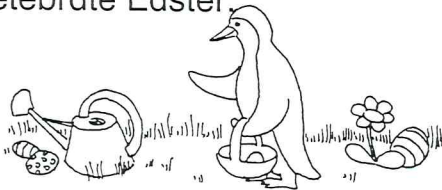

In March
we see the first flowers.

In September
the leaves fall off.

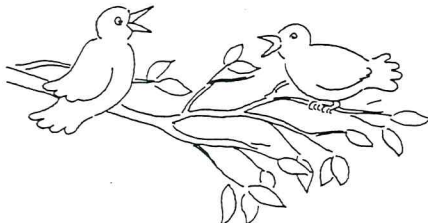

In April
we celebrate Easter.

In October
we've got a Halloween party.

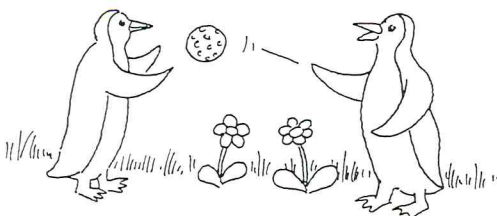

In May
we can listen to the birds.

In November
we put on warm clothes.

In June
we like to play outside.

In December
we celebrate Christmas.
